Impact On Individuals:

"My coach has been instrumental. I have learned about my own leadership style, its strengths and weaknesses, and how to use it to my advantage. I am able to observe situations in a more objective way and have some great tricks up my sleeve for dealing with difficult situations! I feel more confident in myself and my abilities as a result of the coaching."

Melanie Huggins

"I'm able to better understand what I want, what I need, what works best for me, and what doesn't work for me. I set the boundaries that I need to set. I just feel like I own my career more."
